

Business Abundance

bring wealth & prosperity to you and your business

Are you wanting to start you own business, but really don't have the technical skills to use the internet? Are you a current solo entrepreneur looking to take your business to the next level? At Business Abundance, I teach fellow sole entrepreneurs how to turn their VISION into a REALITY. As a successful small business owner myself, I have spent the past 10 years marketing my businesses exclusively on the internet. I have read all I could, tried everything I could think of, and found a great approach to make money that can work for anyone. I now want to share what I've learned with others to help them achieve the same great success that I have.

free monthly phone call...

Yes, I said FREE! Each month I hold a 45-minute class over the phone so that I can impart my *knowledge*, *wisdom*, and *insight* I've uncovered throughout my journey as a solo entrepreneur. Since I've been a writer, trainer, and usability expert for over 25 years, I know how to KISS (keep it simple, silly)! Plus, one call participant receives my one-of-a-kind tool, **Where Does Your Wealth & Prosperity Live?™** (\$48 value). In a just a few minutes, my tool shows you how to identify the areas of your life you can change to further enhance your business success. (You'll think it's magic!) My next teleclass is being scheduled for June. [Click here if you'd like to participate.](#)

the ebook that brings your business money...

Running a small business isn't rocket science. And this ebook further solidifies that fact. It details the 3-step process I have used for years on every business endeavor to ensure success. I don't give you "pie in the sky" ideas that you have to figure out to apply. Instead, I give you **specific** changes to make. You can literally read this ebook, acquire the items you need, and implement the changes in a few hours. To purchase your copy of **Business Abundance™: It's Not Rocket Science** for only \$18, [click here](#). Once you make your purchase, you'll receive an email with instructions to download your ebook.

"business abundance™" program...

This is it: that fast-paced, "get me going now" class that tells you exactly what to do. Twice a week you participate in a call and we discuss the next step in the process. Again, I tell you exactly what you need to do to ensure success. In less than 30 days, you can take your business in a direction you never thought of before. The fee for this program is \$88 and includes 8, 60-minute phone calls, handouts for the workbook you build week-by-week, and email access to me for assistance.
